Are your feet a little frosty? Slip into our new Mukluk Slippers, inspired by the foot fashions of the Arctic! These cozy slippers are double-layered for extra warmth, coming to mid-calf with a snug drawstring top. And in imitation of the trends set by the Eskimo and Inuit, each faux suede leather slipper is hand-stitched for an authentic mukluk look! When it comes to functional footwear, we've got all the right styles from the lands of the frozen chosen. Sold in packs of three.

BK329

Nothing says "bedtime" like a good book, and your little ones will love our new library of board books! Specifically geared to the wee ones, each book teaches an important, basic concept through fun characters, colorful illustrations, and easy-to-follow plot sequence. Just the right size (and sturdiness!) for even the littlest fingers, our new board books are just the right read at nap time, quiet time, or anytime! *Books 3 pack per story*

Heads are stuffed like a pillow!

# SLEEPING BAGS

Get ready to hit the sack in style! Our lovable Sleeping Bags put the “fun” in “functional.” The Moose or Bear face, with applique eyes and nose, is stuffed to double as a built-in pillow— perfectly sized for little heads. The interior lining is as durable and warm as the outside is fuzzy and soft. A sturdy zipper runs along the bottom and one side to keep kids cozy, and the handy straps and buttons make for easy storage! When it’s time for kids to cuddle, we’ve got bedtime in the bag!

LazyOne:  
Leader of the Herd

“Mooooove” over, competition! When it comes to one-of-a-kind sleepwear, LazyOne stands apart from the herd—and that’s no “bull.” Here’s a whole round-up of reasons:

1. **Innovative Products:** Always on the creative frontier, we’re continually launching great new products: critter blankets, sleeping bags, woodland slippers, cowboy booties and much more!
2. **Fashion Forward Colors:** We keep tabs on the trends and carefully choose the hottest, most “in” colors for our fashions.
3. **Unique Word Play:** Over 90% of our funny phrases are completely original, “milked” fresh from the punny brains of LazyOne employees (e.g. “Pasture Bedtime,” “Text Mooseaging” ...well, you get the idea)!
4. **Quality:** We proudly use only the finest quality cotton fabrics—in fact, folks say that our sleepwear is the softest around!
5. **Price:** Our affordable prices are a good 20-30% less than other sleepwear manufacturers.
6. **Sell-Through Rate:** Fast. Our popular range of products is easy to stock and easy to sell.
7. **Ship Time:** Our average shipping time is a short 24-48 hours.

Yep—at LazyOne, we “steer” clear of the ordinary by providing unique, quality items and the best service in these here parts.

## LazyOne® STORE OPPORTUNITIES

Everyone knows that LazyOne products are a significant asset to any store. Ever thought of becoming a LazyOne only Store? Here's how it works: when everything you sell comes from LazyOne, we take care of all the hassle. That means you place only one purchase order to only one supplier (us!), greatly simplifying your busy schedule and keeping order tracking to a minimum. But that's not all-LazyOne would also supply all of your store fixtures, merchandising materials and displays! And since we design and make everything you need, we know exactly how to jump-start your business with the right eye-catching products and displays. Ask your sales rep or call our office today to discuss these opportunities. We invite you to join our team in building your own successful LazyOne store!

### Up to 50% off!

At LazyOne, we're always creating new ideas and products. And that means that every year we also need to create more room in our warehouse! For some great deals on LazyOne merchandise, please check out our website at:
